1.5) As per Section 45(3), FVOC will be amount recorded in books of firm. However, in case of immovable property if SDV is more than amount recorded then SDV shall be treated as FVOC in the hands of Gopal. i.e. 20 lakhs.

Now, for firm, Purchase price would be the selling price for Gopal i.e 20 Lakhs.
SDV is more than 110% of actual consideration, hence SDV will be treated as FVOC.
Therefore, capital gain = 28 lakh – 20 lakh = 8 lakhs.

2. Section 269SS - No person shall take or accept from any other person, any loan or deposit or any specified sum, otherwise than by an account payee cheque or account payee bank draft or use of electronic clearing system through a bank account if the amount of such loan/advance/deposit is more than 20,000 or the account balance exceeds 20,000 on the date of accepting such loan/advance/deposit.
Penalty – Amount of loan/ deposit taken or accepted (section 271D)

Section 269T - No branch of a banking company or a co-operative bank and no other company or co-operative society and no firm or other person shall repay any loan or deposit made with it or any specified advance received by it otherwise than by an account payee cheque or account payee bank draft drawn in the name of the person who has made the loan or deposit or paid the specified advance, or by use of electronic clearing system through a bank account if the amount of such loan/advance/deposit repaid is more than 20,000 or the account balance (outstanding as on such date) exceeds 20,000 on the date of repayment of such loan/advance/deposit.
Penalty – Amount of loan/deposit so repaid (section 271E)

Section 269ST - No person shall receive an amount of two lakh rupees or more—
   (a) in aggregate from a person in a day; or
   (b) in respect of a single transaction; or
   (c) in respect of transactions relating to one event or occasion from a person,
otherwise than by an account payee cheque or an account payee bank draft or use of electronic clearing system through a bank account.
Penalty – Sum equal to amount received (section 271DA)

2.1) Violation exist for Mr. A and Mr. B loan.
2.2) Cash payment and cross cheque payment is violation.
2.3) Contravention for Mr shyam since amount is 2 lakhs, no contravention in case of Mr. Ankit since amount is 90,000 only.
2.4) Due date for filing return is 31.10.2021. Tax Audit due date is one month before the due date of ROI as per Sec 139(1). Penalty leivable under Section 271B if assessee fails to get accounts audited is 0.50% of Turnover or Gross Receipts (subject to max 1.5 lakh).
3.1) As per section 44AD, eligible assessee for this section are resident firms (excluding LLP)/individual/HUF having Turnover/Gross Receipts upto Rs.2 Cr. and not in the business of section 44AE, agency, commission and brokerage.

Resident assessee is eligible for 44ADA if he is engaged in profession as referred in Sec 44AA and Gross Receipt is upto Rs. 50 Lakhs

For the business of plying, hiring, leasing such goods carriage presumptive income will be calculated as per Sec44AE. 44AE is applicable only if assessee owns Max 10 Vehicles.

Therefore, in the given case eligible firms for declaring income on presumptive basis are AB & Co., LM & Co. and XY & Co.

3.2) As per section 44AD, income on presumptive basis is Turnover/Gross Receipts *6% (for account payee cheque/DD/ECS received upto due date of ROI) and for remaining modes it is Turnover/GR *8%

Therefore, in the given cases income will be calculated as follows -:

AB & Co.
Presumptive Income = (150+20)*6% + 30*8% = Rs. 12,60,000
Working Partner’s Salary and Interest shall not be deductible while computing income as per Sec 44AD

PQ & Co.
Since sec 44AD is not applicable therefore book profits of Rs.4,50,000

3.3) As per section 44AE, presumptive income (after deducting partners remuneration, salary, interest, etc. as per 40(b)) in case of transporters is as follows –

Heavy Goods Vehicle (more than 12000 kgs) = Rs.1,000 per ton per vehicle for every month or part thereof.
Other Vehicle = Rs.7500 per vehicle per month or part thereof.

Purchase Date (not put to use) is considered under Sec 44AE.
In the given case presumptive income for LM & Co. is as follows :-

= (11*3*7500 + 9*2*7500 + 8*1*7500 + 7*1*7500 + 5*1*7500 + 4*2*13*1000) – (1,50,000 + 50,000)
= 6,36,500 – 2,00,000
=4,36,500.

3.4) As per section 44ADA, presumptive income in case of professional is (Gross Receipt*50%). Therefore, income of XY & Co. for AY 21-22 would be = 50,00,000*50% = Rs.25,00,000

3.5) Yes, since in both the cases, presumptive income is more than the income calculated as per books of accounts. Hence, if assessee wishes to get their books of accounts audited, then they can declare income as per books of accounts maintained.
4.1) Section 43CA - Where the consideration received due to transfer of asset (other than a capital asset), being land or building or both, is less than stamp duty value in respect of such transfer, the SDV shall, for the purposes of computing profits and gains from transfer of such asset, be deemed to be the full value of the consideration. However, where the SDV does not exceed 110% of consideration the sale consideration shall be treated as FVOC.

If the date of agreement and registration are not same, then assessee can take SDV on the date of agreement if he has received consideration or part thereof upto date of agreement in A/c payee cheque/DD, use of ECS, etc.

Since, SDV on date of agreement does not exceed 110% of 100 lakhs, therefore 100 lakhs will be treated as FVOC.

Business Income (since Rajesh is a property dealer) = 100 lakh – 50 lakh = 50 lakhs

4.2) Where immovable property is acquired for inadequate consideration, if per immovable property (SDV – Consideration) exceeds 50,000 AND SDV is more than 110% of consideration then difference between SDV and consideration is taxable under IFOS – Section 56(2)(x)

In instant case, since SDV on date of agreement does not exceed 110% of 100 lakhs. Nothing is chargeable in IFOS.

4.3) Provision similar to section 43CA exist for transfer of capital asset also (Section 50C).

In instant case, since down payment on date of agreement is received by crossed cheque, SDV on date of agreement is not acceptable.

Further, SDV on date of transfer exceeds 110% of 50 lakh i.e. more than 55 lakhs, therefore, 70 lakh will be treated as FVOC.

Short Term Capital Gain = 70 – 32 = 38 lakhs.

No indexation benefit since period of holding does not exceed 24 months.

4.4) Where immovable property is acquired for inadequate consideration, if per immovable property (SDV – Consideration) exceeds 50,000 AND SDV is more than 110% of consideration then difference between SDV and consideration is taxable under IFOS – Section 56(2)(x)

In instant case, since SDV on date of transfer exceed 110% of 50 lakhs and difference (70 lakh – 50 lakh) is more than 50,000.

20 lakhs (70 lakh – 50 lakh) will be chargeable in IFOS.

4.5) Section 194IA – TDS @ 1% is deductible by payee on transfer of immovable property if the consideration is 50 lakh or more.

Therefore, TDS is to be deducted by both Rajesh and Vallish.

5. Section 80JJAA – 1) Deduction of an amount equal to 30% of additional employee cost incurred is allowed. 2) "additional employee" means an employee who has been employed during the previous year but does not include—

(a) an employee whose total emoluments are more than 25000 per month; or
(b) an employee for whom the entire contribution is paid by the Government under the Employees' Pension Scheme notified in accordance with the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 (19 of 1952); or
(c) an employee employed for a period of less than 240 days during the previous year; or
However, for apparel, footwear or leather products business, period is 150 days
(d) an employee who does not participate in the recognised provident fund:
   additional employees employed during the previous year:

Section 115BAB – Applicable only if company set up and registered on or after the 1st October 2019. Tax Rate – 17.16% (15% + 10% + 4%)
Section 115BAA – Tax rate 25.168% (22% + 10% + 4%)

5.1) B Ltd
As per section 115BAB, tax rate is 15% plus surcharge 10% plus HEC 4%.
Deduction u/s 80JJAA = (500 employees*24000* 5 months) *30% = 1.8 crore
Total Income = GTI less deduction u/s 80JJAA
= 2.8 crore – 1.8 crore = 1 crore

Tax = 1 crore*0.15*17.16% = 17,16,000.

5.2) A Ltd
As per section 115BAA, tax rate is 22% plus surcharge 10% plus HEC 4%.
Deduction u/s 80JJAA = (500 employees*24000* 12 months) * 30% = 4.32 crore
Total Income = GTI less deduction u/s 80JJAA
= 4.9 crore – 4.32 crore = 0.58 crore

Tax = 0.58 crore*25.168% = 14,59,740.

5.3) A Ltd
Total Income under special provisions = 0.58 crore
Since the company was set up in September 2019, it already had claimed benefit of additional depreciation in PY 19-20 and therefore no additional claim is available to it.
Total Income = 0.58 crore

B Ltd
For B Ltd, 50% of additional depreciation will be allowed in PY 20-21 since P&M put to use for less than 180 days in this PY.
Total Income under special provisions = 1 crore
Less: Additional dep since P&M put to use for less than 180 days (4 crore * 20%*1/2) = 0.40 crore
Total Income = 1 crore - 0.40 crore = 0.60 Crore.

5.4) Since his turnover in PY 2018-19 is more than 400 crore, tax rate of 30% is applicable.
Since in this case return is filed therefore penalty will be 50% of tax on URI for under-reporting of income u/s 270A, at the time of assessment it would be determined as follows :-
### Assessed Income – 16 Crore
Income u/s 143(3) – 20 Crore
URI = 20 Crore – 16 Crore = 4 Crore
Tax on Un-Reported Income = 4 crore * 30% * 1.12 * 1.04 = 1.39766 crore
Penalty = 1.39776 * 50% = 0.69888 crore.

5.5) Since his turnover in PY 2018-19 is less than 400 crore, tax rate of 25% is applicable. In the given case penalty on account of mis-reporting of income u/s 270A will be 200% of tax on URI, at the time of reassessment it will be determined as follows:-
Assessed Income – 20 Crore
Income u/s 143(3) – 22 Crore
URI = 22 Crore – 20 Crore = 2 Crore
Tax on Un-Reported Income = 2 crore * 25% * 1.12 * 1.04 = 0.5824 crore
Penalty = 0.5824 * 200% = 1.1648 crore.

6. 6.1) The business trust has to deduct tax at source under section 194LBA –
- @10%, on interest component of income distributed to resident unitholders; and
- @5% (plus cess), on interest component of income distributed to non-corporate Non-resident unitholders and foreign companies.

Interest component of income distributed to unitholders is taxable in the hands of the unit holders – @5%, in case of unit holders, being non-corporate non-residents or foreign companies; and at normal rates of tax, in case of resident unit holders.

Note: TDS rates for residents are reduced by 25% due to COVID-19 from 14.05.2020 to 31.03.2021.

Therefore, tax is deductible at 7.5% for Mr. X (Resident) and 5.2% (including HEC) for Mr. Y (Non-resident).

6.2) As per section 115UA(2), the business trust is liable to pay tax@15% under section 111A in respect of short-term capital gains on sale of listed shares and MMR for sale of developmental properties.

6.3) Section 10(23FC) - Interest & Dividend from SPV shall be fully exempt in hands of REIT. Any other income (except interest from SPV & Rental income from REIT) received by unit Holders for Business Trust shall be exempt in hands of Unitholders u/s 10(23FD).
Dividend taxable only when SPV paid taxes as per 115BAA. Therefore, no tax payable by REIT or unit holder.

6.4) Since, tax is paid by SPV as per section 115BAA. Dividend will be taxable in hands of unitholder.
Dividend exempt in hands of business trust due to its pass-through status.

6.5) Such interest is taxable at maximum marginal rate, in the hands of the Business trust, as per section 115UA(2). However, there would be no tax liability in the hands of the unit holders on the interest component of income distributed to them, by virtue of section 10(23FD).
6.6) The distributed income or any part thereof, received by a unit holder from the REIT, which is in the nature of income by way of renting or leasing or letting out any real estate asset owned directly by such REIT is deemed income of the unit holder as per section 115UA(3). The business trust has to deduct tax at source@10% under section 194LBA in case of distribution to a resident unit holder and at rates in force in case of distribution to a non-resident unit holder.
Note: TDS rates for residents are reduced by 25% due to COVID-19 from 14.05.2020 to 31.03.2021.

8. As per Section 115UB, PGBP income of investment funds is taxable in hands of investment funds.
Section 115UB – All income received by unit holders from investment fund are taxable in hands of unit holders (except PGBP).
As per amendment made by FA 2019, Losses other than PGBP of Investment Fund shall be distributed to unit holders and unit holder can set off and carry forward such loss if unit holder hold such units for 12 months or more.

8.1) As per taxation on investment fund, PGBP income of Rs.14,00,000 will be taxable in the hands of investment fund and remaining income of Rs.28,00,000 (Capital Gain-21,00,000 + IFOS – 7,00,000) will be taxable in the hands of unit holder i.e. Rs.80,000 to each holder (28,00,000/35).

8.2) As per taxation on investment fund, PGBP income of Rs, 14,00,000 will be taxable @30% plus HEC 4% since it is LLP.

8.3) As per taxation on investment fund PGBP loss of Rs. 4,00,000 (PGBP loss 10,00,000 – IFOS 6,00,000) will be carried forward by Investment Fund II and since units have been hold by holders for a period of atleast 12 months therefore capital loss of Rs.40,000 (20,00,000/50) can be c/f by each unit holder.

8.4) As per taxation on investment fund PGBP income will be Rs. 11,00,000 for A.Y. 22-23 as PBGP income for current year is Rs. 15,00,000 and carried forward loss of previous year is Rs.4,00,000.

9. 9.1) As per sec 153(2), time limit for completion of assessment procedure by AO (if notice is served on or after 01-04-2019) is 12 months from the end of P.Y. in which notice u/s 148 was served. Therefore, in the given instances it is 31.3.21 for Mr. Ram (Notice u/s 148 served on 20.3.20) and 31.3.22 for Mr. Shyam (Notice u/s 148 served on 9.4.20).

9.2) As per sec 153(1), time limit for completion of assessment procedure by AO is 12 months from the end of R.A.Y.
Section 153(4)-If reference is made to Transfer Pricing Officer under section 92CA, the period available for completion of assessment or reassessment, as the case may be, shall be extended by twelve months.
Therefore, in the given instances, it is 31.3.21 for Mr. Ram and 31.3.22 for Mr. Shyam.

9.3) As per sec 139(1), due date for return filling of Mr. Ram is 31st July of A.Y since his turnover is less than 1 Cr. Hence not liable to audit u/s 44AB whereas due date for return filling of Mr. Shyam is 30th Nov of AY as he is required to submit report u/s 92E. Therefore Mr. Shyam can carry forward business losses of A.Y.2020-21 for set-off against his business income of A.Y.2021-22 but Mr. Ram cannot do so as he has not filled his ROI within due date.

10. 10.1) Section 194-O: Where sale of goods or services of an e-commerce participant is facilitated by an e-commerce operator, such e-commerce operator shall, at the time of credit or at the time of payment thereof to such e-commerce participant by any mode, whichever is earlier, deduct income-tax at the rate of 1% of the gross amount of such sales or services or both.
Explanation—For the purposes of this sub-section, any payment made by a purchaser of goods or recipient of services directly to an e-commerce participant for the sale of goods or provision of services or both, facilitated by an e-commerce operator, shall be deemed to be the amount credited or paid by the e-commerce operator to the e-commerce participant and shall be included in the gross amount of such sale or services for the purpose of deduction of income-tax under this sub-section

Further, as per Section 206AA, If the e-Commerce participant does not furnish his PAN or Aadhaar, TDS must be deducted at the rate of 5%.

Above section is applicable w.e.f. 01.10.2020.

In instant case, 150000, 140000 and 20000 will be liable for TDS deduction at 5% rate.

\[ 310000 \times \frac{5}{100} = 15500 \]

10.2) As per Section 194J, TDS on professional services provided by Mr. B for office premises of Mr. N are liable to TDS @10%, therefore Mr. N will deduct TDS of Mr. B on Rs.40,000 @10% i.e. Rs.4,000.

Here, date is 05.05.2020 which is prior to 14.05.2020, hence rate of 10% has been taken.

10.3) As per Section 194M, TDS is not required to be deducted if professional services received less than Rs. 50,00,000. Hence in given case Mr. N is not required to deduct TDS of Mr. B u/s 194M as total services received are less than Rs. 50 Lacs.

10.4) As per sec 165 of FA 2016 equalization levy @6% is applicable if payment for specified services is received/ receivable by NR from person resident in India carrying business or profession, specified services includes online advertisement. In the given case, Mr. B has received online advertisement services from Tumble LLC and Doodle Inc. Therefore, equalization levy of Rs.6,600 on Tumble LLC and Rs. 6,300 on Doodle Inc. is required to be deducted.

10.5) Since, assessee does not want to get accounts audited, hence 44ADA is applicable if gross receipts is upto 50 Lacs.

Total Gross receipts = 49,10,000 (200000+150000+140000+20000+4000000+400000)

In given case, since PGBP shown is less than 50% and audit is not done. Asseesee have to opt section 44ADA.

PGBP = 4910000*50% = 24,55,000

Tax as per Slab rates = 5,70,960 (inclusive of HEC)

11.1) As per sec 94B, excess interest paid by Indian Company to a NR being an associate enterprise shall be disallowed, also such disallowed interest can be carried forward upto a period of 8 AYs. Hence, in the given case allowed interest for computation of income of UI ltd. for AY 2021-22 is as follows :-

Interest paid to AE – 30% of EBITDA

Here, EBITDA = PAT + Tax + Interest + Depreciation

EBITDA = 8 + 1.5 + 6 + 2.5 = 18 Cr.

Interest Allowed (Max which can be allowed) = 18*30/100 = 5.4Cr.

Interest paid to AE in AY 21-22 = Rs. 4.75 Cr. (50 crore * 9.5%)
Since, actual interest is less than max allowed interest, hence nothing will be disallowed. Therefore, additional interest that can be further allowed (C/f from AY 20-21) = 5.4 – 4.75 = 0.65 Cr. Local borrowings interest will be fully allowed. Hence, Allowed interest expenditure for AY 21-22 = 4.75 + 1.25 + 0.65 = Rs. 6.65 Cr.

11.2) As per Section 92C, calculation of ALP by Resale Price Method (RPM) on import of turbo equipment by UI Ltd from H Inc. is as follows - :

<table>
<thead>
<tr>
<th>Description</th>
<th>Amount</th>
</tr>
</thead>
<tbody>
<tr>

<td>(8,00,00,000)</td>
</tr>
<tr>
<td>Arm’s Length Price</td>
<td>32,00,00,000</td>
</tr>
</tbody>
</table>

Purchase related expenses [inclusive of custom duty paid] = 34,50,00,000

Increase in Income of UI Ltd. = 34,50,00,000 – 32,00,00,000 = Rs.2,50,00,000

11.3) As per section 92CE, if excess money of Rs. 2.5 crore is not repatriated in India then following interest income will be added :-

= 2,50,00,000*(11.25%+3.25%) * 121/365 days = Rs. 12,01,712.

No. of Days = 31 (Dec) + 31 (Jan) + 28 (Feb) + 31 (March) = 121 days
Interest is calculated from the due date of filling of return in cases where primary adjustment is made suo motu.

11.4) As per section 92CE (2A), additional Income Tax on amount to be repatriated will be @18%, such tax will be increased by surcharge of 12% + 4% HEC. In the given case calculation of additional tax to be paid will be -

Tax to be paid = 2,50,00,000 * 20.9664% = Rs. 52,41,600.

11.5) Excess money should be repatriated within 90 days from due (i.e 28-02-22) but in the given case, the same has been repatriated on 15-03-22.
As per section 92CE (2A), if the assessee pays additional income tax, he will not be required to make secondary adjustment or compute interest form the date of payment of such tax. In the given case additional tax has been paid by UI Ltd on 15.03.2022, hence interest income to be added for AY 22-23 will be as follows :-

= 2,50,00,000 * (11.25%+3.255) * 105/365 = Rs. 10,42,808.

11.6) As per section 92A, UI Ltd holds more than 26% shares of K Inc and Y Ltd and K Inc has prior agreement of sale for such transaction, hence H Inc, K Inc and Y Ltd. are associate and deemed associates of UI Ltd.

12. 12.1) As per section 194N, TDS @ 2% is applicable on cash withdrawals in excess of Rs. 1 Crore.
However, W.e.f. 01.07.2020 if the account holder has not filled his ROI for the 3 years immediately preceding the PY then TDS @ 2% is applicable on withdrawals above Rs. 20,00,000 but upto Rs. 1Cr. and TDS @ 5% on withdrawals in excess of Rs. 1Cr. Therefore, in the given case TDS u/s 194 for account holders will be as follows :-

Mr. A
Total cash withdraws = Rs.1,05,00,000
TDS on Rs.5,00,000 @ 2% = Rs.10,000

Mr. B
Withdrawal of Rs. 22 lakhs before 01.07.2020 will not be subject to TDS applicability. However, it will be counted in the overall limit.
Total cash withdrawal = Rs.1,02,00,000
TDS on 2 lakh*5% = 0.10 lakh
TDS on balance withdrawal (100 lakh – 22 lakh) * 2% = 1.56 lakhs
Total = 1.66 lakhs

12.2) As per sec 36(1)(viia), Indian banks can provide provision for bad debts @8.5% of GTI (before this deduction) + 10% of aggregate average advances made by rural branches. If provision for bad debts is less than actual bad debts, then remaining bad debts allowed u/s 36(1)(vii). Therefore, in given case amount of provision will be :
\[= 100,00,000 \times 8.5\% + 120,00,000 \times 10\% = Rs. 20,50,000\]
Total actual bad debts = Rs. 30,00,000
Therefore, deduction for bad debts u/s 36(1)(viia) = Rs.20,50,000
u/s 36(1)(vii) = 30,00,000-20,50,000
\[= Rs. 9,50,000\]

12.3) As per the provisions of IT Act, reportable accounts under SFT are of Mr. B & Mr. K as Mr. B has withdrawals of more than Rs. 50 Lacs from his current account and Mr. K has paid a bill of credit card in excess of Rs. 10 Lacs from account payee cheque.

12.4) As per section 271FA penalty for non-filling of SFT from the due date of 31st May of the AY till the period of expiry of notice is Rs.500 per day and Rs.1000 on failure to furnish the same after expiry of notice period.
In the given case penalty u/s 271FA would be :
\[= (1/06/21-30/10/21)152 \text{ days} *500 + (31/10/21-25/11/21) 26 \text{ days} *1000 \]
\[=Rs. 1,02,000.\]

12.5) In the given assets have been used by predecessor company for 332 days till 26/02/21, therefore deduction u/s 32 & 35DDDA will be as follows :
\[=350000*331/365 + (30,00,000/5) *331/365 \]
\[=8,61,507.\]

13. 13.1) Section 92A: Two enterprises shall be deemed to be associated enterprises if, at any time during the previous year- any person or enterprise holds, directly or indirectly, shares carrying not less than twenty-six per cent of the voting power in each of such enterprises or a loan advanced by one enterprise to the other enterprise constitutes not less than fifty-one per cent of the book value of the total assets of the other enterprise.

13.2) 620 million * 2.5% (6.5-4) * 9/12 months = 1,16,25,000.
13.3) If primary adjustment is made due to order of AO, then the excess money is required to be brought back within 90 days from the date of order of AO. Alternatively, additional income tax u/s 92CE(2A) can be paid and then the excess money will not be required to be repatriated. However, interest will be charged up to date of payment of additional income tax.

13.4) As per section 92CE, if excess money of Rs. 1,16,25,000 is not repatriated in India within 90 days from the date of order of AO, then following interest income will be added to PY 22-23:

\[
= 1,16,25,000 \times (10.00\% + 3.25\%) = Rs. 15,40,313.
\]

Interest is calculated from the date of order by AO in cases where primary adjustment is made AO.

13.5) As per section 270A(9), failure to report any international transaction or any transaction deemed to be an international transaction or any specified domestic transaction, to which the provisions of Chapter X apply shall be treated as misreporting of income and penalty would be 200% of amount of the tax payable.

13.6) No adjustment would be required in hands of X and Y since this is an extra income to X and income of Y is not chargeable to tax in India.

14.1) Section 143: Where a return has been made under section 139, such return shall be processed in the following manner, namely:

(a) the total income or loss shall be computed after making the following adjustments, namely: (ii) an incorrect claim, if such incorrect claim is apparent from any information in the return;

Since, it is a normal adjustment, this will not be treated as under reporting of income.

14.2) Since in this case return is filed therefore penalty will be 50% of tax on URI for under-reporting of income u/s 270A, at the time of assessment it would be determined as follows:

<table>
<thead>
<tr>
<th>Assessed Income</th>
<th>Income u/s 143(1)</th>
<th>URI</th>
</tr>
</thead>
<tbody>
<tr>
<td>(10,50,000)</td>
<td>(13,50,000)</td>
<td>3,00,000</td>
</tr>
</tbody>
</table>

Tax on Un-Reported Income = 3,00,000*30%*104% = 93,600
Penalty = 93,600*50% = 46,800.

14.3) In the given case penalty on account of mis-reporting of income u/s 270A will be 200% of tax on URI, at the time of reassessment it will be determined as follows:

<table>
<thead>
<tr>
<th>Reassessed income</th>
<th>Income assessed in last order</th>
<th>URI</th>
<th>Tax on Un-Reported income</th>

<tr>
<td>Penalty = 3,90,000*200% = 7,80,000.</td>

<td></td>
<td></td>
</tr>
</tbody>

14.4) Section 270AA: An assessee may make an application to the Assessing Officer to grant immunity from imposition of penalty under section 270A and initiation of proceedings under section 276C or section 276CC, if he fulfils the following conditions, namely:—
(a) the tax and interest payable as per the order of assessment or reassessment under subsection (3) of section 143 or section 147, as the case may be, has been paid within the period specified in such notice of demand; and
(b) no appeal against the order referred to in clause (a) has been filed.

14.5) Section 271AAD –
(1) Without prejudice to any other provisions of this Act, if during any proceeding under this Act, it is found that in the books of account maintained by any person there is—
(i) a false entry; or
(ii) an omission of any entry which is relevant for computation of total income of such person, to evade tax liability,
(2) Such person shall pay by way of penalty a sum equal to the aggregate amount of such false or omitted entry.

Section 276C –
(1) If a person wilfully attempts in any manner whatsoever to evade any tax, penalty or interest chargeable or imposable, or under reports his income, under this Act, he shall, without prejudice to any penalty that may be imposable on him under any other provision of this Act, be punishable,—
(i) in a case where the amount sought to be evaded or tax on under-reported income exceeds twenty-five hundred thousand rupees, with rigorous imprisonment for a term which shall not be less than six months but which may extend to seven years and with fine;
(ii) in any other case, with rigorous imprisonment for a term which shall not be less than three months but which may extend to two years and with fine.

15. 15.1) As per sec 94B, excess interest paid by Indian Company to a NR being an associate enterprise shall be disallowed. Hence, in the given case disallowed interest is as follows :-:
Interest paid to AE = 30% of EBITDA

Here, Interest Allowed = 6*30/100 = 1.8 Crore.
Interest paid to AE = Rs. 3 Cr. (50 crore*6%)
Therefore, interest disallowed = 3 crore - 1.8 crore = 1.2 crore.

15.2) Section 115BAA: Notwithstanding anything contained in this Act but subject to the provisions of this Chapter, other than those mentioned under section 115BA and section 115BAB, the income-tax payable in respect of the total income of a person, being a domestic company, for any previous year relevant to the assessment year beginning on or after the 1st day of April, 2020, shall, at the option of such person, be computed at the rate of 22%.
Section 115BBD provides tax rate of 15% for dividend received from foreign company where Indian company holds 26% or more.

Here 115BAB is not eligible as assessee is engaged into trading in futures and options. Company should not be engaged in any business other than business of manufacturing to avail 115BAB.
15.3) Section 115BBF - Any income by way of royalty in respect of a patent developed and registered in India, shall be taxable at 10%. No deduction in respect of any expenditure or allowance shall be allowed to the eligible assessee under any provision of this Act. "developed" means at least seventy-five per cent of the expenditure incurred in India by the eligible assessee for any invention in respect of which patent is granted under the Patents Act, 1970.

15.4) As per section 115BAA, the assessee can claim deduction u/s 80JJAA. No deduction u/s 32(1)(via) will be allowed.

15.5) Since, notices are issued to non-existent company, they are void ab initio. Participation of X would not validate the notices.

16. 16.1) Section 115JB is applicable to all companies. As per Explanation 4.—For the removal of doubts, it is hereby clarified that the provisions of this section shall not be applicable and shall be deemed never to have been applicable to an assessee, being a foreign company, if the assessee is a resident of a country or a specified territory with which India has an agreement referred to in sub-section (1) of section 90 or the Central Government has adopted any agreement under sub-section (1) of section 90A and the assessee does not have a permanent establishment in India in accordance with the provisions of such agreement.

Since, in present case, DEF Inc. has permanent establishment, section 115JB is applicable.

16.2) As per Section 115A, it is taxable at 10% + HEC 4% while as per DTAA, tax rate is 10% whichever is more beneficial would apply.

Note - Deduction of expenses not allowed.

16.3) Section 112(1)(c)(iii) - Long-term capital gains arising from the transfer of a capital asset, being unlisted securities or shares of a company not being a company in which the public are substantially interested, shall be calculated at the rate of ten per cent on the capital gains in respect of such asset as computed without giving effect to the first and second proviso to section 48 (indexation and foreign currency conversion).

16.4) Both capital gains on securities and fee for technical services have to be reduced while computing book profit of DEF Inc. for levy of minimum alternate tax since they are taxable at rate lower than rate in section 115JB.

17. 17.1) Section 44AB - Every person, carrying on business shall, if his total sales, turnover or gross receipts, as the case may be, in business exceed or exceeds one crore rupees in any previous year shall get its books audited.

Provided that in the case of a person whose—

(a) aggregate of all amounts received including amount received for sales, turnover or gross receipts during the previous year, in cash, does not exceed five per cent of the said amount; and

(b) aggregate of all payments made including amount incurred for expenditure, in cash, during the previous year does not exceed five per cent of the said payment,
this clause shall have effect as if for the words "one crore rupees", the words "five crore rupees" had been substituted.

In given case, his receipts in cash does not exceed 5% (1.1 crore*5% = 5.5 lakh), amount received in cash is also 5.5 lakh.

Total payments made = 65,84,500, payment in cash = 7,00,000. Payments allowed in cash = 3,29,225 (6584500*5%)

Since, the turnover exceeds 1 crore and cash payments exceeds 5% of total payment, Audit as per Sec. 44AB is mandatory.

17.2) TDS is required in case of payments made to specialists under section 194J and payment of salary u/s 192.

Therefore, disallowed amount under Section 40(a)(ia) -
= 16,50,000 ((35,00,000+20,00,000)*30%)

17.3) Calculation of depreciation:

Asset value = 3,50,000

Interest to be capitalized from 15th April to 14th oct = 34500*6/11.5 months = 18000

Total asset value = 350000+18000 = 368000.

Depreciation = 368000*40/100*1/2 = 73600.

17.5) Section 269ST - Any person should not receive an amount of 200000 or more except by account payee cheque, DD or ECS in respect of a single transaction. Otherwise, penalty @ 100% of such receipt shall be levied u/s 271DA.

18. 18.1) Depreciation rate for Motor Vehicles used in a business of running on hire is 30% (45% if acquired and put to use between 23.08.19 to 31.03.2020)

Depreciation rate for Other Motor Vehicles is 15% (30% if acquired and put to use between 23.08.19 to 31.03.2020)

Interest capitalised = 30 lakh*10%*2/12 months = 0.50 lakh

Depreciation on P&M:
On Opening WDV = 95 lakhs*15% = 14.25 lakhs
New asset = (40 lakh + 0.50 Lakh)*15%*1/2 = 3.0375 lakh
Additional dep = (40 lakh + 0.50 Lakh)*20%*1/2 = 4.05

Total depreciation = 21.3375 lakhs

**Depreciation on Motor Car:**
Opening WDV = 700000*0.70 =490000
Dep during the year = 490000*0.30 = 1,47,000.

18.2) Section 40(a)(i), payment made to NR or foreign company without deduction of TDS attracts 100% disallowance.

**Note** – It seems like a printing mistake by ICAI under point (ii) – hence make correction under point (ii) as - Interest paid in dollars to X Inc., a foreign company, without deduction of tax at source Rs. 1,50,000. Such tax was, however, deducted on 10.4.2021 and remitted on 7.5.2021.

18.3) As per section 115BAA, expenditure on in house scientific research and development u/s 35(1)(i) and 35(1)(iv) is allowed.

Capital Gain chargeable to tax (194.5255 * 14/20) = 136.1679
Less: exemption u/s 54EC = 40
Max 50 lakh deduction allowed, investment can be made within 6 months from sale.
Capital gain taxable = 96.1679

19.2) PGBP = Sale value – Cost of land – cost of construction
= (40 lakhs * 14 Flats – 300 lakhs *14 /20 – 15 lakhs * 14 Flats) = 140 lakhs.

19.3) Calculation of capital gain PY 21-22 -

| Capital Gain | 194.5255 |
| Capital Gain chargeable to tax (194.5255 * 6/20) | 58.3577 |
| Less: exemption u/s 54EC | 10 |
| Capital gain taxable | 48.3577 |

PGBP = Sale value – Cost of land – cost of construction

19.4) IFHP =
Annual Value = 60000*12 months = 720000
Less: standard deduction @30% = 216000
Taxable = 504000.
Since, municipal taxes by paid by tenant, it will not be deducted.

19.5) Section 194IB - Individual and HUF are required to deduct TDS @5% on rent paid for immovable property if rent per month or part thereof exceeds 50,000. 20.2) Loss of Specified business can be set off only against specified business income, irrespective of whether the latter is eligible for deduction under section 35AD.
Loss under specified business = 80 – 175 = 95 lakh
Profit of other hotel = 130 lakh
Compiled by CA Bhanwar Borana

Net = 130 – 95 = 35 lakhs

20.3) No change in answer since no deduction was taken for land.

20.4) Normal tax = 35 lakh *30%*1.04 = 10.92 lakhs

Calculation of AMT -
Profit = 35 lakh
Add: Deduction u/s 35AD = 175 lakhs
Less: Depreciation u/s 32 on 175 Lakhs @ 10% = 17.5 lakh
Adjusted total income = 192.50 lakhs
AMT = 192.50*18.5%*1.12*1.04 = 41.48144 lakhs
Tax payable = 41.48144 lakhs

20.5) Section 80JJAA – 1) Deduction of an amount equal to 30% of additional employee cost incurred is allowed. 2) "additional employee" means an employee who has been employed during the previous year but does not include—

Adjusted Total Income = 213.5 lakhs
Tax Liability = 213.5*18.50%*1.12*1.04 = 46,00,670

22.4) Tax as per normal provision was higher. Therefore, no AMT credit will be there.

22.5) As per section 44AD, income on presumptive basis is Turnover/Gross Receipts *6% (for account payee cheque/DD/ECS received upto due date of ROI) and for remaining modes, it is Turnover/GR *8%
Therefore, in the given cases income will be calculated as follows -:
190 lakhs*6% + 10 lakhs*8% = 12.20 lakhs.

23.2) Section 115VK - (1) For the purposes of computing depreciation under clause (iv) of section 115VL, the depreciation for the first previous year of the tonnage tax scheme (hereafter in this section referred to as the first previous year) shall be computed on the written down value of the qualifying ships as specified under sub-section (2).

(2) The written down value of the block of assets, being ships, as on the first day of the first previous year, shall be divided in the ratio of written down value as per books of the qualifying ships (hereafter in this section referred to as the qualifying assets) and the book written down value of the non-qualifying ships (hereafter in this section referred to as the other assets).

In the instant case, WDV as per books of Qualifying ships is 850 lakhs (580+270)
WDV as per books of all ships is 1080 lakhs
Ratio = 850/1080 = 78.704%
Therefore, WDV of qualifying ships for tax purpose = 1200 lakhs * 78.704% = 944.44 Lakhs.

23.3) Section 115VT. (1) A tonnage tax company shall, subject to and in accordance with the provisions of this section, be required to credit to a reserve account (hereafter in this section referred to as the Tonnage Tax Reserve Account) an amount not less than 20% of the book profit derived from the activities referred to in clauses (i) and (ii) of sub-section (1) of section 115V-I in each previous year to be utilised in the manner laid down in sub-section (3):

Provided that a tonnage tax company may transfer a sum in excess of twenty per cent of the book profit and such excess sum transferred shall also be utilised in the manner laid down in sub-section (3).

Therefore, minimum reserve requirement is Rs. 20 lakhs (100 lakh*20%)

23.4) Section 115VT (5) - Notwithstanding anything contained in any other provision of this Chapter, where the amount credited to the Tonnage Tax Reserve Account in accordance with sub-section (1) is less than the minimum amount required to be credited under sub-section (1), an amount which bears the same proportion to the total relevant shipping income, as the shortfall in credit to the reserves bears to the minimum reserve required to be credited under sub-section (1) shall not be taxable under the tonnage tax scheme and shall be taxable under the other provisions of this Act.

Amount required to be credits is 20 lakhs
Amount credited is Rs. 15 lakhs
Shortfall = 5 lakh i.e. 25%.

Total Income from core and non-core activities = 70 lakh + 14 lakh = 84 lakhs
Amount that will be taxable under other provisions of the Act due to shortfall = 84 lakhs * 25% = 21 lakhs.

23.5) As per sec 44B, when Non-Residents is engaged in shipping Business then presumptive income is 7.5% of specified sum for Shipping Business.
